PRODUCT GUIDE 2024

Quality Foodservice Delivered

DIBS Distribution Ltd is a successful, family-owned and operated UK business. Established in 1987 with expertise in KFC production, the company entered the business of portioning and distributing chicken products to restaurants in the Greater London area. Over the years, continued investment in people, technology, new product development, and distribution facilities has allowed DIBS to evolve alongside the rapid growth of the Quick Service Restaurant (QSR) market. Today, DIBS is recognized as one of the UK's leading independent processors and distributors of fresh poultry portions, frozen and dry food products, as well as food packaging, serving QSR restaurants across England, Wales, and Scotland.

More than 30 years later, a new generation continues the family's values and commitment to delivering quality foodservice.

State of the art poultry processing plant

SMS & email delivery notifications sent before every delivery

Fleet of temperature controlled, dual compartment fridge / freezer vehicles
